Participants Feedback

'I was really struck by how strangers in Holland positively greet each other in Holland. That is something I would like to take back to Hong Kong'
Sofia (14yrs)

'The different approach to teaching in Holland taught me how to be more spontaneous in my presentation style.'
Amelia (16yrs)

'Honestly, I never paid much attention to nature, but the guided walk by Luc made me realize the wonders of nature.'
Gladys (14yrs)

'The 'Dear Earth' workshop really opened by eyes. It made me realize what is truly important to me in my future life.'
Vicky (16yrs)

'Our stay in the refurbished farm house was so much fun! We could run around outdoors, see the animals next door and really become one big family together.'
Coco (15yrs)

'At home I always buy new clothes for fun. The fashion day showed me the impact that fast fashion has on the environment. I will definitely change my style now!'
Mona (15yrs)

'I was so impressed by the open-ness of the presenters. They were even willing to share their failures and how they managed to turn their professional careers around.'
Christina (16yrs)

'The visit to Eneco showed me that you can also act entrepreneurial and make change happen in a bigger corporate organization.'
Joanne (16yrs)

'Writing the business plan didn't feel like work. It was so much fun!!'
Charlotte (15yrs)

Program Highlights

Pillar 01 / Company Visits

COMPANY VISITS are our SPECIALTY .

Get inspired by young entrepreneurs and change-makers at work. From start-ups to established corporations at a variety of different industries, such as:

- Green Energy
- Sustainable Banking
- Circular Innovation
- Sustainable Fashion
- Sustainable Food

We will also visit TU Delft, the globally renowned technical university and centre of research.

Pillar 02 / Workshops

- Participate in the "Sustainable Entrepreneur" project by creating a business plan that addresses a key sustainability challenge in the world.
- Enhance your public speaking skills in the "Model United Nation" masterclass, where you'll simulate a UN conference, discussing the Sustainable Development Goals.
- Experience working on a regenerative farm, learning about climate positive farming and biodiversity.
- Design your own clothing style in a "Pre-loved fashion" workshop

Pillar 03 / Outdoor

To really talk sustainability, we need to get back to mother nature and reconnect with our environment:

- Guided forest walks with our ecologist and outdoor adventure games.
- Campfire storytelling and writing workshop.
- Forest picnics, marshmallow campfires and BBQ night.
- Sightseeing by bicycle and beach dinner.

Pillar 04 / Excursions

Explore vibrant cities like Amsterdam, Rotterdam and Utrecht to witness and participate in the green trends shaping everyday life, while immersing yourself in the local culture and discovering the famous touristic highlights of The Netherlands, such as:

- World class Rijksmuseum and Anne Frank House
- Canal houses in Amsterdam and windmills at Zaanse Schans
- Modern architecture of Rotterdam
- Charming villages of Delft and Utrecht
- Natural beauty of Hoge Veluwe National Park
