

What makes us different?

At our MUN Masterclass, we believe in the power of learning by doing. Our program focuses on **improvisation**, **confident public speaking**, and **audience engagement**, creating a fun environment to develop effective communication skills.

Proudly based in the **Netherlands**, our trainers are the award-winning MUN delegates from the "**Utrecht University**". Young and dynamic, they not only share their extensive MUN knowledge but also foster cultural exchange among participants. Experienced training students and corporate professionals around the globe, their contagious energy motivates everyone involved.

Utrecht University
Model United Nations

Empower Their Voices

This masterclass is more than just a course
- it's a transformative experience designed
to empower students to speak up,
collaborate, and make a meaningful
impact.

Why offer the Model UN Masterclass to your students?

- Enhances English fluency through engaging debate and discussion
- Builds public speaking confidence and persuasive communication skills
- Teaches teamwork, diplomacy, and critical thinking
- Inspires global citizenship by engaging with real-world issues, based on the 17 UN Sustainable Development Goals
- Flexible, cost-efficient **Online delivery** – with **In Person** options also available!

Students Feedback

“ It was a different teaching method than I am used to. At first it was actually a bit scary, but after some practice it was great fun! ”

“ The sessions were really lively and I really appreciated the feedback and suggestions from the facilitators. ”

“ The facilitators were really experienced. I enjoyed their stories and examples. ”
